IMPERIAL MONEY ORDERS.

To—All Treasury Officers, Circular No. 1663, *dated* 26*th May* 1886.

Revised Money Order Rules having come into force from 1st March 1886, the Comptroller has the honor to issue the following instructions in modification of those contained in Circular Nos. 1637 and 1646, dated 31st July 1885 and 19th February 1886, respectively.

(1.) Section 94. Money Orders erroneously made payable at any District or Taluk Treasury instead of some other Treasury within the Province, should be treated as a missent order, the place of payment should be corrected under the initials of the Treasury Officer and forwarded direct to the proper office of payment and intimation of the same given to the Head Post Office, Bangalore.

(2.) When a Money Order is payable at the District Treasury or some Taluk Treasury within the District, the Treasury Officer should give intimation to payee by means of a printed slip in the accompanying form to be sent by anche service, and send the Money Order if not payable at the District Treasury to the Taluk Treasury named in the order with the date up to which it may be detained in the Taluk Treasury endorsed thereon. The Money Order should be kept in the Treasury for the period mentioned in the slip for the payee to claim the money according to the notice in person or by his agent. If he should fail to appear, it should be returned by the Taluk to the District Treasury, which must be careful to forward all unclaimed Money Orders to the Post Master, Bangalore, at least a week before the end of the second month after the month in which they were issued (*vide* Section 98) so as to enable that office to take such action regarding them as may be found suitable under the said Section.
